*Review Highlights* - "They do everything right" at chef-owner Bernard Bouissou's "magnifique" French "gem", the "clear winner in Ridgefield for imagination and taste"; the "excellent food... "superior" wines, "romantic" "country inn setting" and "attentive" service make this favorite perfect for "special occasions"; P.S. the new Sarah's Wine Bar upstairs has a "bistro feel" and a separate menu.
